**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC, I work from home and Broadband is critical to my business. I'm a consultant working for multiple clients and need access to high speed, reliable and affordable broad band. I chose to go with a local provider (Sonic) because of the horrible reputation and service that ATT and Comcast provide in the SF market.

ATT's monopoly is well known throughout history, not just in today's arena. Let competition thrive and survive! Do your job for the people of America, not corporate America.
